

ENVIRONMENTAL POLICY

LUXIT Group is committed to operating in a responsible and sustainable manner, continuously improving the impact our company has on the environment, our associates, customers, suppliers, and the community. This will be accomplished by establishing processes of reducing, reusing, or recycling those materials and services we consume to produce our products. LUXIT Group is committed to preventing pollution of the environment and complying with all required regulatory laws. We will review our accomplishments and results in this regard on a regular basis to improve and communicate with our stakeholders and other interested parties, when appropriate.

Stephane Védie
Chief Executive Officer

A handwritten signature in dark ink, appearing to read 'Stephane Védie', is written over the printed name and title. The signature is fluid and cursive, with a long horizontal stroke extending to the right.
